The Walk on Water

— a Tour of City Water Infrastructure & Well Sites

About 3 Miles, Moderate Pace

Meet at the Sebastopol Plaza at 9:00am

Water; the topic is on everyone's mind. The City of Sebastopol enjoys high quality water provided by a system of water wells located throughout the city. This walk is an opportunity to visit these important facilities and learn about the system, including recent upgrades, from Sebastopol's Public Works Director, Rich Emig. Meet in the Plaza at 9:00 for a casual paced walk of about three miles. Bring water and a snack.
